1	The phrasing of this survey as "Agree/Disagree" sounds to me like we're being asked if we agree with the policy. But we're not monitoring if we agree with the policy; we're monitoring whether we think we're in compliance with the policy. I think our C & D surveys should actually have "In compliance", "Out of compliance", and "Abstain" options instead. --Cheyne	1/8/2021 3:44 PM
