Dear Alice Ma,

It's CBLD enrollment time and we're giving early birds a deal! We're offering a special early CBLD enrollment rate of $7275 for our existing clients who re-enroll in CBLD before October 15, 2020. After that date, the 2021 rate for CBLD will be $7750.

Columinate's award-winning CBLD Program of Support for Boards of Directors offers three enrollment options:

- Our flagship **Cooperative Board Leadership Development (CBLD)** Program, which still includes the consultant support, retreat, library resources, and enrollment in any of our growing list of online workshops and webinars--including the Virtual 101, our four-part Finance Training for Directors, and our new Explorations in Governance series.
- **Basic CBLD**, which is available to smaller co-ops, startups and organizations (under 3.5 million in sales/annual revenue)
- **CBLD Complete,** which provides maximum flexibility to support your board through either additional consulting hours or a second board retreat.

I've attached our program brochure that provides more detail about our CBLD offerings for 2021. If you are ready to enroll, you can review, choose your desired program option, and e-sign the participation agreement here. Don't forget, **you'll save $475 if you complete your enrollment by October 15.**

Click to Sign the Participation Agreement

If you want have questions or want to discuss your enrollment options, please drop me a note at cbld_enrollment@columinate.coop or call at 612-275-6225. Thank you!

Sincerely
Leslie Watson
CBLD Program Coordinator
