Becoming an owner means you own a share of our business and get to reap the benefits.

MEMBER-OWNER BENEFITS

Everyone is welcome to shop at the Co-op, but there are some great benefits to ownership. We're a food co-op that is owned by our shoppers - that means you!

LOYALTY REWARDS:

Participate in loyalty (frequent buyer reward) programs for bread, cookies, and coffee. No punch card needed - we automatically keep track of your purchases.

BIG SAVINGS:

Owners save 10% on all case orders.

WE'RE A TEAM:

When we're profitable, owners may receive a refund based on their spending.

HAVE A SAY IN OUR FUTURE:

Vote for the Board of Directors, attend the Annual Meeting, and attend events.

Ownership is \$150

It's a one-time investment, and you can divide this payment up in ways that work for you.

You're buying a share of our business, not an annual membership like Sam's Club or Costco.

Daily Discounts

Owner save more daily. Owners get 10% off all Co+op Deals products! Sales change twice a month, saving you more money on more products you love across the store.

Monthly Wellness

Owners save 20% on one Wellness item every month.

Owners Love Local

We know you love local goods! Every month, owners find a super sale on items from our local vendors, artisans, and producers.

Save quarterly!

Owners take advantage of major 4-day department or item sales in our store.
