Owner's Forum is a time for the Board to listen to Owner comments. The Board will, if requested, follow up after the meeting.

Greg Meyer shared a comment via meeting chat during the forum.

“This is an operational issue but the larger question is, I feel, something the board should reflect on. Today the Department of Health and Welfare implemented a Crisis Standards of Care in North Idaho. Presuming you all are aware of this, what it means, and why it was deemed necessary, I believe the co-op should let its customers know how seriously we are taking the latest surge, and now this crisis, by once again requiring all customers to wear masks when in the store. I would encourage the board to encourage management to take this step.”

There were no additional owners who wished to speak at the forum.
